Vision

To be the global benchmark for excellence, innovation, and sustainability in the garment accessories industry.

Mission

1. To ensure the highest quality standards by adopting advanced technology and operational efficiency.
2. To foster strong, reliable partnerships with our clients through transparent communication and ethical business practices.
3. To consistently exceed customer expectations through product innovation and dedicated service.

Guiding Principles

- Uncompromising Quality
- Client-Centric Excellence
- Continuous Innovation
- Ethical & Sustainable Practice
- Empowering Our People
- Operational Efficiency

Our Product Portfolio

- ➔ **Sewing Thread** : 100% Spun Polyester, Sewing Thread, Filament Thread, and Embroidery Thread Dyeing with any recommended color.
- ➔ **Elastic** : Plain, Design, Picot, Lace, Woven, Adjustable Button Hole, and Striped Elastic, made with high-quality yarn and rubber.
- ➔ **Twill Tape** : Cotton, Polyester and Synthetic yarn-based Flat Tape, Canvas Tape, Herringbone Tape, Narrow Tape, Striped Tape, Oxford Tape etc.
- ➔ **Drawstrings & Draw Cords** : Round, Flat, Tube and Elastic drawstrings with automatic plastic, metal, and silicon tipping.
- ➔ **Belts** : Waist Belt or Custom-width suitable for a variety of garment applications.
- ➔ **Gum Tape/Packaging Tape** : Strong, reliable and durable adhesive solution for secure packaging.

Operational Excellence

- | | |
|---|--|
| 1. Optimized Lead Time Commitment | A clear commitment to fast, reliable and consistent delivery schedules to effectively meet demanding buyer deadlines. |
| 2. Premium Raw Material Sourcing | Strategic procurement of ISO and OEKO-TEX certified, high-grade materials exclusively from trusted international suppliers. |
| 3. Stringent Quality Assurance (QA/QC) | Implementation of rigorous quality control procedures , including AQL standards and dedicated in-house testing facilities. |
| 4. Advanced Technology & Automation | Utilization of modern, high-speed, and automated machinery to maximize precision, efficiency and output volume. |
| 5. Integrated Supply Chain Management (SCM) | Streamlined and coordinated management of the entire process, from order confirmation to final logistics and timely shipment. |
| 6. Power Backup | Recognizing that consistent production is paramount for on-time delivery, all AVL facilities are equipped with robust, high-capacity, UK-origin generators to ensure uninterrupted 24/7 operations. Factory-1 (Accessories View Ltd.) is powered by a 200 KW generator, while Factory-2 (SANS Trims International) and Factory-3 (SANS Accessories Industries) rely on a 250 KW unit, collectively guaranteeing that production never halts - even during unexpected power interruptions or load shedding - thereby keeping all orders strictly on schedule. |

Machinery List

Sewing Thread Unit

SI No.	Name of Machine	Number of Machines
01	Sewing Thread Winding Machine	25 set
02	Sewing Thread High Speed Winding Machine	5 set
03	Soft Winding Machine	12 set

Yarn Dyeing Unit

SI No.	Name of Machine	Number of Machines
01	Yarn Dyeing Machine	15 set
02	Hydro Machine	3 set
03	Auto Hot Dryer Machine	1 set

Elastic Unit

SI No.	Name of Machine	Number of Machines
01	Crochet Elastic Machine	20 set
02	Warping Machine	4 set
03	Roll Machine	5 set
04	Needle Detector Machine	1 set

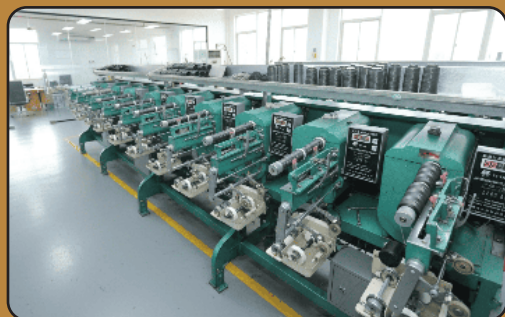

Machinery List

Twill Tape Unit

SI No.	Name of Machine	Number of Machines
01	Needle Loom (Twill Tape Knitting Machine)	8 set
02	Yarn Warping Machine	2 set

Drawstring and Drawcord Unit

SI No.	Name of Machine	Number of Machines
01	Brading Machine (Auto Drawstring/Drawcord Machine)	35 set
02	Cord Knitting Machine	3 set
03	Full Auto Tipping Machine	1 set
04	Semi Auto Plastic Tipping Machine	3 set
05	Semi Auto Metal Tipping Machine	1 set
06	Bobbin Winding Machine	5 set

Sewing Thread Unit

Our Production:

We produce any count of Spun Polyester, Sewing Thread, Filament Thread, Nylon Thread and Cotton Thread.

Our Products

- ➔ Fine Thread
- ➔ AVL Thread

Color : Available in custom-matched colors as per client specifications.

Production Capacity: 20,000 Cones per day

Elastic Unit

Our Production:

AVL's Elastic Unit utilizes cutting-edge, high-speed machinery from Taiwan to produce a comprehensive range of elastic fabrics, including customized designs. We ensure premium quality by exclusively sourcing OEKO-TEX and ISO-certified yarns and high-grade rubber/spandex.

Our Products

- ➔ Tunnel Elastic / Plain Elastic
- ➔ Design Elastic
- ➔ Woven Elastic
- ➔ Lace Elastic
- ➔ Picot Elastic
- ➔ Brush Elastic
- ➔ Adjustable (Button Hole) Elastic
- ➔ Striped Elastic etc.

Production Capacity: 2,00,000 Yards per day

Twill Tape Unit

Our Production: We manufacture Cotton, Polyester and Synthetic Yarn based various tapes of Twill Tape and Belt.

Our Products

- ➔ Flat Tape
- ➔ Canvas Tape
- ➔ Herringbone Tape
- ➔ Narrow Tape
- ➔ Striped Tape
- ➔ Oxford Tape
- ➔ Waist Belt ➔ Belt of different width

Production Capacity: 80,000 Yards per day

Drawstring & Drawcord Unit

Our Production: We manufacture best quality Cotton, Polyester and Synthetic Yarn Drawstring and drawcords for using on Jackets, Hoodies, Trousers, Bags, Shoes etc.

Our Products

- ➔ Round Drawstring
- ➔ Flat Drawstring
- ➔ Tube Draw Cord
- ➔ Elastic Draw Cord
- ➔ Automatic Plastic Tipping
- ➔ Metal & Silicon Tipping

Production Capacity: 1,00,000 Yards per day

Yarn Dyeing Unit

Dyeing Capability :

We offer expert package dyeing for **all counts** of Spun Polyester Thread, Cotton Thread, Polyester Thread, Filament Thread etc.

Color Matching Excellence :

Comprehensive custom-matched coloring available as per client specifications, ensuring accurate and precise color replication based on standards (e.g., Pantone).

Quality, Fastness & Compliance :

Dedicated to high quality, all our dyed yarns ensure superior color fastness (meeting specific ISO/AATCC wash and rub standards) and are guaranteed Azo-free and OEKO-TEX compliant.

Color: Any client recommended color available.

Dyeing Capacity: 3,000 Kg per day

ETHICAL & RESPONSIBLE MANUFACTURING

01. ENVIRONMENTAL INTEGRITY

AVL is fully committed to environmental responsibility and ensuring sustainable manufacturing practices. Our production is backed by OEKO-TEX® certification, which not only guarantees product safety but also prioritizes worker well-being. We strictly adhere to all national environmental laws and regulations, reflecting our dedication to minimizing our ecological footprint and promoting responsible resource usage.

02. ZERO TOLERANCE TO CHILD LABOR

We maintain an **uncompromising zero-tolerance policy** against child labor. No individuals under the age of 18 are employed in our operations, and we unwaveringly uphold all national and international conventions protecting children's rights.

03. ADVANCED FIRE SAFETY & EMERGENCY PROTOCOLS

Every factory floor is **fully equipped with modern, certified firefighting systems** (e.g., hydrants, alarm systems). Our staff members are comprehensively trained through **regular mock drills** to ensure a secure environment and highly effective emergency response.

04. FAIR LABOR PRACTICES & WELFARE

We ensure fair wages, lawful working hours, and all statutory benefits for our entire workforce. We actively support workers' rights to Freedom of Association and collective bargaining, fostering a respectful, compliant, and highly productive workplace.

Full Insurance Coverage

We prioritize security and reliability. Our factory, raw materials, finished goods, and machinery are fully insured, protecting every asset from unforeseen risks.

Employee Amenities & Welfare

AVL is committed to fostering a comfortable, safe, and highly employee-centric workplace. We provide comprehensive amenities and welfare benefits designed to support both professional performance and the personal well-being of our valued workforce. Key Amenities & Benefits Include:

I. Health, Safety & Workplace Amenities

1. **Hygienic Drinking Water** to maintain good health and hydration.
2. **Modern Ventilation Systems** for clean air and a comfortable working environment.
3. **Accessible First Aid Facilities** readily available for any minor medical needs.
4. **Clean & Separate Washroom Facilities** for male and female staff to ensure privacy and hygiene.
5. **Dining Hall** for convenient meal breaks.

II. Financial Benefits & Incentives

1. **Tiffin Allowance:** All factory staff are given a good amount of daily tiffin allowance.
2. **Subsidized Meal Facility:** Provision of healthy and affordable meal options at the factory premises.
3. **Two Annual Festival Bonuses** in recognition of cultural celebrations.
4. **Target & Proficiency Bonuses** for rewarding outstanding performance.
5. **Attendance Bonus** for consistent dedication and reliability.
6. **Maternity Leave & Benefits** to support working mothers in full compliance with law.

III. Professional & Social Support

1. **Continuous Training & Development Facilities** to enhance skills and professional growth.
2. **Health & Hygiene Programs** to promote overall well-being.
3. **Comprehensive Employee Welfare Fund:** Providing crucial financial assistance for major life events, including marriage ceremonies, medical emergencies, and unforeseen personal crises.
4. **Annual Picnic & Cultural Programs** to foster team spirit and camaraderie.

Corporate Social Responsibility (CSR)

AVL operates under an uncompromising ethical framework, strictly adhering to ILO conventions, the Bangladesh Labor Law, and BGAPMEA regulations. Our Social Responsibility framework extends beyond compliance to actively contribute to the well-being of our community and workforce.

I. Core Compliance Philosophy

1. Principle Adherence: Full compliance with all mandatory national and international labor laws and regulations.
2. No Forced Labor: Ensuring all employment is voluntary and free of coercion.
3. Managed Working Hours: Promoting work-life balance by strictly adhering to legal limitations on working hours and overtime.

II. Diversity and Equity

1. Equal Opportunity & Non-Discrimination: Maintaining a fair and equitable workplace with a strict zero-discrimination policy for all employees, ensuring gender equality and opportunity.

III. Community & Development

1. Community Development & CSR: Active engagement in local development initiatives and Corporate Social Responsibility (CSR) programs, including charitable activities, support for local schooling, and infrastructure projects.
2. Stakeholder Engagement: Regular communication and collaboration with local authorities, community members, and BGAPMEA to ensure shared growth and mutual benefit.

OUR CORE GUARANTEES

I. OUR STRENGTH

The formidable capabilities that secure your orders and quality:

- 1. Robust Infrastructure:** We operate from a spacious, modern facility designed for maximum production efficiency and smooth workflow.
- 2. Guaranteed Power:** Our dedicated 24/7 power backup system ensures zero production interruption, protecting your delivery schedule at all times.
- 3. Precision Technology:** We utilize State-of-the-Art Machinery and advanced technology for high-precision and high-volume manufacturing.
- 4. Expert Workforce:** Our highly trained team is the human guarantee behind our commitment to consistently delivering top quality standards.
- 5. Stringent QA/QC:** A comprehensive Quality Assurance (QA/QC) system is implemented at every critical stage of production, leaving no room for error.
- 6. Optimized Supply Chain:** Our streamlined operations ensure dependable, on-time delivery for every order, globally.

II. OUR COMMITMENT TO CLIENTS

Our promise of ethical practices, integrity, and dedicated service:

- 1. Full Compliance Secured:** We operate in full adherence to ILO Conventions and all national labor laws, ensuring a fully compliant and risk-free partnership.
- 2. Zero-Risk Sourcing:** We use only OEKO-TEX® and ISO-certified raw materials, guaranteeing the safety and integrity of your final product.
- 3. Ethical Workplace:** We enforce a strict zero-tolerance policy against child and forced labor, maintaining a safe and ethically sound workplace.
- 4. Equality & Fairness:** We stand by an Equal Opportunity Policy, ensuring a zero-discrimination and equitable environment for all employees.
- 5. Client-Centric Service:** Our dedicated customer service provides clear, proactive communication and prompt responses throughout the order lifecycle.

With advanced technology, skilled manpower, and ethical manufacturing, AVL is your trusted partner for on-time delivery, uncompromising quality, and competitive pricing.

WHY CHOOSE US?

The critical reasons that make AVL your most reliable manufacturing partner :

1. **PROVEN RELIABILITY:** We have a strong history of consistently meeting demanding deadlines without ever compromising on the quality expected by global buyers.
2. **THE PERFECT EQUATION:** We offer the vital combination of **High Quality, Optimized Speed, and Guaranteed Compliance**-the three pillars of modern sourcing.
3. **ONE-STOP SOLUTION:** Our diverse, **in-house production capabilities** mean we can produce a wide range of accessories perfectly tailored to your exact technical needs.
4. **BUSINESS CONTINUITY:** Our **Robust Power Backup Systems** ensure operations are never interrupted, securing your delivery schedule at all times.
5. **GLOBAL TRUST:** We maintain a proven track record built on successful, long-standing partnerships with renowned RMG brands and exporters globally.
6. **LONG-TERM PARTNERSHIP APPROACH:** We focus on building enduring relationships, not just completing transactions-we are dedicated to creating **sustainable value and future growth** with you.

Choose AVL, where advanced technology, ethical manufacturing, and dedicated people combine to deliver Uncompromising Quality, On-Time Delivery, and Highly Competitive Pricing.
